Itinerary

Day 1: Passau

Boarding time is at 4 p.m. The "Bishop City," close to the Bavarian/Austrian border, is also known as the "City of three Rivers." Use your free time and stroll through the old charming centre, visit the world largest catholic church organ in the cathedral and enjoy the easy atmosphere of a typical Bavarian beer garden. At 6.30 p.m. cast off! Your vacation begins with a cruise through the romantic Danube Valley.

Day 2: Mauthausen - Grein, approx. 35 km

Today's bike tour takes you directly along the Danube where you have enough time to enjoy the natural state of the meadow landscape. Visit the medieval village and former concentration camp at Mauthausen. The Celtic village Mitterkirchen gives you an insight into the past. The alternative route, "Clam Castle," through the beautiful back country of the "Strudengau" is slightly hilly but offers a fantastic scenery. Grein, with its mighty castle, is the final destination of today's stage. After a romantic sunset cruise you arrive at Devin with its castle ruin overlooking the Danube in the morning.

Day 3: Devin - Bratislava, approx. 18-43 km

From Devin you follow the former 'Iron Curtain', cross the former border and reach the imposing Baroque Palace of Hof with its beautifully terraced gardens. Cycle through Austria's "vegetable garden" to the coronation city and former capital of Hungary - Bratislava located at the slopes of the Little Carpathians. Explore the hidden alleyways and sights of Bratislava on an optional city tour.

Day 4: Vienna (day of rest)

During a city tour by bike or bus (optional) you will experience Vienna's most famous examples of architecture: the imperial Hofburg, St. Stephens Cathedral, the gorgeous 'Ring'-boulevard and the State Opera House, the Burgtheater and town hall and, of course, the colourful "Hundertwasserhaus". There is enough time in the afternoon to stroll or visit one of the famous Viennese cafés. The evening can end in numerous ways. For example by visiting a Waltz and Opera concert at a famous Viennese Palaces (optional).

Day 5: Wachau | Krems - Melk, approx. 37 km

Today's biking day is a special highlight! Amidst small dreamy towns, apricot trees, vineyards, castles, monasteries and ruins, this hilly landscape enchants everybody. You will be biking on cloud nine! A powerful ruin looms above the small baroque town of Durnstein, while the blue spire of the monastery church is a landmark of Wachau valley. In Weißenkirchen (possibility for a wine-tasting - optional) you will find comfortable wine taverns right along the bike path.

Day 6: Melk - Grein, approx. 50 km

After breakfast you have plenty of time to visit the gorgeous baroque monastery of the Benedictine brethren of Melk. Today's stage is marked by diversity. Starting in the wide valleys of the Nibelungenau you follow the Danube and cycle further into the Strudengau - a narrow point of the Danube which used to be notorious amongst skippers. Yours today's final destination is the - already well known - city of Grein, home of Austria's oldest city theatre (optional, not included).

Day 7: Great Danube Loop | Obermühl - Engelhartzell, approx. 28-43 km

Today you will cycle through the Danube Valley and will pass through many picturesque villages. Along the cycle path you may smell freshly grilled mackerels, with small pubs doing all they can to entice cyclists to stay. Make sure you follow the small walking trail to the lookout high above the Danube Loop - what a breathtaking panoramic view of the Danube Valley it provides of the meandering Blue Danube! Need a refreshment? Try some of the special cordials at the Trappist monastery at Engelszell, your day's destination.

Day 8: Passau

As you cruise back up the Danube enjoy the early morning sunshine as you wind your way to Passau, where you will arrive at about 10:00 a.m. and you'll disembark about 30 minutes later. Connecting travel should be booked for 11.00 a.m. onwards.

General information

On the one hand, a riverboat is a "holiday hotel", while on the other, it is also a means of transport that moves with motor power and must always be operated, even at night (partially with lock and bridge passages and the retractions and extensions of the structures caused as a result). Mistakes can happen with lock passages. This is the case for all Danube journeys and cannot be avoided. Please bear in mind that riverboats are restricted (bridge passages, locks) in size (length, height, width) and therefore cannot be compared with cruise liners in the sea.

The cabins are limited in space but are nevertheless comfortable and furnished. In the event of extremely high or low water, the shipping company reserves the right to bridge stages by bus or even to cancel the trip at short notice without any legal claim arising therefrom (water levels are force majeure). The same applies for officially decreed repairs to locks or bridges, not announced in advance, or in the event of motor or propulsion damage to the ship without attributed fault.
