Itinerary

Day 1: Passau

Boarding time at 4.30 p.m. Located at the confluence of Danube, Inn and Ilz, Passau has numerous interesting sites to visit. Use your free time and stroll through the cobblestoned old town centre, listen to the bells of Passau's Gothic Town Hall or have a look at the world's largest Catholic Church organ in the Passau Cathedral. At 6.00 p.m. we cast off!

Day 2: Great Loop | Engelhartzell - Aschach, approx. 42 km

Your first day's tour begins with a ride through the classic scenery of the 'Great Loop' Donauschlinge - one of the most beautiful sections of the Danube. Along the way you will encounter tiny villages and cozy cider taverns. In Austria's only Trappist monastery at Engelhartzell you can taste their delicious liquors and cheese. The famous 'Schlögener View' provides a wonderful panorama of the surrounding Austrian countryside. The boat welcomes all cyclists back on board in the charming market town of Aschach.

Day 3: Devin - Bratislava, approx. 18-43 km

You pedal along the former 'Iron Curtain', cross the green line and reach the imposing Imperial Palace of Hof with its beautifully terraced gardens. Follow the bike path through Austria's 'vegetable garden' to the coronation city of Bratislava and the slopes of the Little Carpathians and discover the hidden alleyways and sights of Bratislava on an optional city tour.

Day 4: Budapest | Szentendre, approx. 54 km

The entrance to Budapest, Hungary's capital, is stunning. Savour the beauty of Budapest during a coach tour or a guided bike tour (optional) to discover many of the highlights of this beautiful city. General information

On the one hand, a riverboat is a "holiday hotel", while on the other, it is also a means of transport that moves with motor power and must always be operated, even at night (partially with lock and bridge passages and the retractions and extensions of the structures caused as a result). Mistakes can happen with lock passages. This is the case for all Danube journeys and cannot be avoided. Please bear in mind that riverboats are restricted (bridge passages, locks) in size (length, height, width) and therefore cannot be compared with cruise liners in the sea.

The cabins are limited in space but are nevertheless comfortable and furnished. In the event of extremely high or low water, the shipping company reserves the right to bridge stages by bus or even to cancel the trip at short notice without any legal claim arising therefrom (water levels are force majeure). The same applies for

officially decreed repairs to locks or bridges, not announced in advance, or in the event of motor or propulsion damage to the ship without attributed fault.
