Tour description:

A combined bike and boat journey means wonderful landscapes alongside the rivers together with cycle routes that make possible an active as well as relaxing holiday far away from the main roads. The wide Belgium Polderlandscapes offer a very special experience of nature. With this journey you combine varied cycling routes and many interesting excursions with a pleasant stay on board of your swimming hotel MS QUO VADIS. Spend an eventful vacation on one of our best rated boats. As there are only 12 cabins on board, you will enjoy this river cruise in a comfortable and friendly atmosphere. The captain and the owner Rendert Jan and his crew will look after you the most pleasant way. While you are cycling through the magnificent landscapes, MS QUO VADIS is following you on rivers and channels to be at your disposal as your hotel ship at the end of the day when you have reached your day's destination. And if you prefer staying on board, you can also enjoy the landscapes from board the ship.

The ship is comfortably furnished, cosy and you will feel well on board.
