Tour description:

Travel by bicycle and ship: A unique concept, where a bike holiday and a journey on a comfortable ship are combined. Cycling cruises are ideal for those who like to cycle during the day and explore beautiful areas, without giving up a comfortable way of travelling. During our tours you don't have to pack and un-pack your suitcases every day to travel from one beautiful place to the next!

What could provide a more pleasant break than a trip to the Moselle and the Saar, two rivers which wind through enchanting countryside, where castles on the hills guard the route and you can visit market squares surrounded by timbered houses? Is it any wonder that Moselle wine has built up such a good name? The journey through the Moselle valley between Koblenz and Trier traverses some of Germany's most beautiful countryside. You will meet winegrowers and bottlers on the way, but also cyclists from all around the world.

The history of this region even goes back to the Roman Era, some 2.000 years ago. Beautiful timbered houses, vineyards, the Porta Nigra in Trier, the "German corner" (conjunction of Moselle and Rhine) in Koblenz and Saarburg (also known as "little Venice") are but a few of the highlights during this trip. The Moselle, with a length of 544 km, is the Rhine's longest tributary and it is also the second most important shipping route in Germany. The Saar, which has the greatest abundance of water and a length of 246 km, is the Moselle's longest tributary. The quality of the cycle paths along this route is excellent. Most of the path along the Moselle is paved or asphalted and does not have any gradients of note. This makes the trip suitable even for relatively unpractised cyclists.

MS PATRIA:

On the Moselle and Saar, the 68 meters long MS PATRIA, which can accommodate a max. of 68 guests, is your sailing home. The ship is modernized for boat bike tours and provides 15 cabins on the main deck and 19 cabins on the upper deck. All cabins are small and practicable (approx. 7 qm), with two beds standing in a right angle, with window (to be opened on the upper deck, but for safety reasons fixed on the main deck), shower + toilet, individually regulated air conditioning in all cabins on the main deck, as well in the restaurant and salon. This authentic ship has a nice salon with bar and large windows in front of the top deck and a separate restaurant on the main deck. On the partially covered sun deck there are sitting places (tables + chairs) for all guests and a cycle shed. The ship sails under Dutch Flag and management and had its sailing area in The Netherlands for many years. As from 2011 its sailing area is in Germany and it is a very popular ship for combined boat and bike tours.
