Tour description:

This tour is without doubt a journey along two very contrasting and beautiful German rivers - the Rhine and Neckar. The romantic Upper Middle Rhine region is famous worldwide as a river valley straight out of a picture book, with towering cliffs, steep vineyards, castles perched on virtually every hilltop and pretty villages lining the river banks. By contrast the Neckar valley, unlike the Rhine, is a well-kept secret known only by a very few tourists outside of Germany. The Neckar valley boasts picture postcard medieval towns and villages,

brehtaking views of castles and beautiful scenery at every turn of the river ... it is simply a romantic gem waiting to be discovered by you on the best form of transport possible - a bicycle.

On board the MS Patria, your floating hotel for the duration of this 8 day/7 night bike and barge tour, you are in for a very special treat as you explore the most beautiful sections of the Rhine and Neckar Rivers by bicycle. While the Upper Middle Rhine is famous for its history, castles and medieval towns and villages, it is the much lesser known Neckar valley that promises to be the surprise card on this particular tour. What you will discover along the Neckar are ornately decorated half-timbered houses, impressive churches, castles, palaces and many historic monuments. Every city and village along the river has a unique atmosphere of its own, while the natural beauty of the valley has to be seen to be believed. At the end of the tour it will be interesting to see what your favourite valley was. Will it be the Neckar and its towns of Marbach am Neckar - famous worldwide as the birthplace of the classical poet and dramatist Friedrich Schiller - the historic old town of Eberbach, Heidelberg, the city of romanticism or the idyllic and romantic spa village of Bad Wimpfen? Or maybe it will be the "Father Rhine", which is associated with the famous Nibelungen saga, the Loreley rock, some of the best preserved medieval castles in Germany between Bingen and Koblenz or Mainz and its many museums... it will be an interesting choice. This tour is perfect for families with children or for anyone of any age for that matter as the cycle paths along the banks of both the Rhine and Neckar Rivers do not have any gradients of note and are asphalted or paved. For the duration of the tour you will live and travel on board the MS Patria, a firm favourite for cycle cruises in this area for many years.

The journey along the Rhine and Neckar Rivers takes you from Koblenz to Bad Wimpfen, with the return trip taking place the following week from Bad Wimpfen back to Koblenz. On various dates, the MS Patria also sails along the Moselle and Saar rivers from Koblenz to Saarburg and return a week later, with highlights including the ancient city of Trier, Cochem and Bernkastel. It is therefore possible to combine both tours to create a particularly diverse 14-day bike-boat holiday.

MS Patria:

On the Rhine and Neckar Rivers by Bike & Barge Tour the 68 metre-long MS Patria, which is capable of accommodating a maximum of 68 guests, is your sailing home away from home for the week. The MS Patria has been modernized to cater for boat and bike tours and in total has 34 twin cabins on upper and lower decks. All the cabins have two single beds standing in a right angle and are approx. 7 M², have a window (the windows on the upper deck can be opened, but for safety reasons those on the lower deck are fixed), a shower and a toilet. All the cabins on lower deck also have individually regulated air conditioning as does the restaurant and salon. In total there are 15 cabins on the lower deck and 19 cabins on the upper deck (supplement). The MS Patria is an authentic river barge and features a nice salon with a bar and large windows in front of the top deck and a separate restaurant on the lower deck. On the partially covered sun deck there are sitting places (tables and chairs) for all guests and a cycle shed. The ship sails under the Dutch Flag and management and sailed in The Netherlands for many years. Bordlanguage is German and English. Since 2011 the MS Patria has been sailing exclusively in Germany and is a very popular ship for boat & bike tours.
