Along the way you will cycle through the beautiful Dutch landscape of Zeeland, will visit a real Dutch cheese farm and 19 Dutch windmills in Kinderdijk and will discover the western Flanders region of Belgium. The province of Zeeland is essentially one big river delta of the Rhine, Meuse and Scheldt Rivers famous for its fantastic beaches, water sport activities and Delta works, while the Flanders region of Belgium boasts a number of world famous medieval towns and has a well-deserved reputation for superb food and drink. As well as cycling through many picturesque villages each day, you will:

- Have the opportunity to discover Amsterdam
- Visit Antwerp, a city famous for its vibrant nightlife
- Get the opportunity to explore Ghent
- Discover the UNESCO World Heritage-listed historical center of Bruges

For the duration of the tour you will live and travel on board your floating hotel, the barge MS Fluvius. The former cargo barge was totally rebuilt and extended in 2003 and is now a luxury river cruise barge that caters for up to 38 guests in 18 luxury twin and two single cabins.

MS Fluvius:

The small and comfortable river cruiser MS Fluvius has been a popular choice for guests for a number of years now on the Amsterdam to Bruges cycle tour. On board this cosy ship, which caters for a maximum of 36 guests, are a total of 19 cabins (approx. 10 M² = 108 square feet) all with shower and toilet, 2 low beds, air-conditioning that is individually adjustable and a ventilation system. There are 3 cabins on the upper deck (supplement) and 16 cabins on the lower deck. All cabins have a window (all windows are fixed). The salon with bar is a large room for common use and has a semi-separate restaurant area. On the large and partially roofed sun deck of the ca. 70 Metre-long ship are sitting places (tables and chairs) and storage room for the bikes. The ship, which sails under the Dutch flag, has been a very popular small river cruise ship for Boat & Bike Tours for many years in Holland, Belgium and Germany.
