Tour description:

Travel by bicycle and ship: A unique concept, where a bike holiday and a journey on a comfortable ship are combined. Cycling cruises are ideal for those who like to cycle during the day and explore beautiful areas, without giving up a comfortable way of travelling. During our tours you don't have to pack and un-pack your suitcases every day to travel from one beautiful place to the next!

Is the Neckar more picturesque at Marbach, the birthplace of the writer and poem Schiller, or perhaps at the Odenwald, which the river flows through? Maybe you prefer "Father Rhine", which is associated with the famous Nibelungen saga, the Lorely rock, and numerous museums in Mainz or the famous city of Heidelberg? After you have returned home, you will enjoy browsing your photos: of course Heidelberg with its magnificent Castle, the narrow streets of the old town centers of Eberbach and Koblenz, which are just a few of the highlights of this trip along the Rhine and the Neckar. Every photo revives your pleasant memories. What more could you expect from such a wonderful trip? The quality of cycling tracks is very good: usually you will cycle on paved tracks along the rivers without any gradients of note. This makes the trip also suitable for relatively unpractised cyclists. You will live and travel on board the MS PATRIA, which has been a favourite ship for bike-boat holidays for many years.

MS PATRIA:

On the Rhine and Neckar, the 68 meters long MS PATRIA, which can accommodate a max. of 68 guests, is your sailing home. The ship is modernized for boat bike tours and provides 15 cabins on the main deck and 19 cabins on the upper deck. All cabins are small and practicable (approx. 7 qm), with two beds standing in a right angle, with window (to be opened on the upper deck, but for safety reasons fixed on the main deck), shower + toilet, individually regulated air conditioning in all cabins on the main deck, as well in the restaurant and salon. This authentic ship has a nice salon with bar and large windows in front of the top deck and a separate restaurant on the main deck. On the partially covered sun deck there are sitting places (tables + chairs) for all guests and a cycle shed. The ship sails under Dutch Flag and management and had its sailing area in The Netherlands for many years. As from 2011 its sailing area is in Germany and it is a very popular ship for combined boat and bike tours.
